Welcome to Prince Olympiad-2026

India's Most Advanced Talent Discovery & Scholarship Olympiad

Prince Olympiad is not just another scholarship examination—it's a national platform designed to discover, recognize, and nurture the brightest young minds of the country.

Every student possesses unique abilities, but marks alone cannot reveal their true potential. Prince Olympiad has been created to identify each student's academic strengths, competitive aptitude, learning behaviour, and future growth potential through a scientific assessment system.

Beyond scholarships and cash awards, Prince Olympiad empowers students with an exclusive LEAP Score Report (Learning Excellence & Academic Potential) that provides a complete academic roadmap for future success.

Whether a student dreams of becoming a Doctor, Engineer, Scientist, Civil Servant, or Researcher, Prince Olympiad helps them understand where they stand today and what they need to achieve tomorrow.

Prince Olympiad is more than an examination, it is the first step towards building a successful future.

How to Register for Prince Olympiad 2026

Step-01

Visit Website :

ELITE SCHOLARS CAMP

A Five Day Residential Journey of Learning, Innovation & Fun

Elite Scholars Cam is an exclusive 5-day residential experience at the Prince Eduhub Campus, specially designed for high-potential students. The camp offers a perfect blend of learning, innovation, competition, leadership, and fun through interactive academic sessions, creative workshops, quizzes, and team challenges. Students will learn from expert mentors, explore smart study strategies, and strengthen their competitive mindset. Along with academics, they will enjoy music, DJ evenings, games, sports, talent activities, and exciting recreational events.

A comfortable campus stay with delicious meals, snacks, and refreshments ensures a memorable residential experience. Participants will also explore Prince Eduhub's world-class academic and sports infrastructure, build friendships with talented peers from different regions, and create unforgettable memories. Outstanding performers in Prince Olympiad, based on their LEAP Score™, may be invited to become a part of this unique journey of learning, growth, and inspiration.

LEAP Report

Learning Efficiency & Academic Potential

for every Participant

- **LEAP Insight Report** - the first diagnostic snapshot after Stage-1
- **LEAP Progress Report** - issued after Stage-2 - along with a refined, wider peer comparison.
- **LEAP Summit Report** - the complete, consolidated report at the time of admission.

Developed exclusively for Prince Olympiad, LEAP Score measures academic excellence, learning behaviour and future competitive potential through a scientific evaluation framework.

Scholarships & Cash Awards will be awarded through (for every Class)

Notes :

1. Cash Award benefits & Singapore Trip are linked with enrollment in Prince Eduhub Classroom Course by 01.03.2027.
2. Scholarships offered under Prince Olympiad:
 - Applicable across all wings of Prince Eduhub.
 - Scholarship benefits may vary depending on the selected wing or stream.
